

Warranty Procedures

Following the warranty established procedures will help ensure that parts and payment necessary for completion of the necessary work are delivered in a timely manner.

1. Obtain an authorization number from Bullseye Technologies, Inc.
2. Download and fill out a Warranty Claim Form. Be sure to fill out all of the customer data on the top of the form.
3. Submit the claim form via fax to 1-574-753-6261 or by email to warranty@bullseyeleveing.com
4. Once approved Bullseye will ship the necessary parts to the repair facility ground freight prepaid. If Bullseye wishes to have the defective parts returned, Bullseye will issue a call tag to have the parts picked up.
5. Service facility will complete the work and resubmit the warranty paperwork for payment of the labor costs per established guidelines.
6. Reimbursement for labor will be made within 45 days from the date completed warranty paperwork is received or from when the defective parts are returned, whichever is the later.

IMPORTANT: *Call Bullseye Technical Support immediately to help diagnosis any problems with the leveling system. There is a limit on paid diagnostic time and no additional payments will be made without prior approval from Bullseye Technical Support.*

No reimbursement will be made for parts damaged during installation and/or repair nor will any payment be made for work done prior to receiving an authorization number from Bullseye.
